

WINE CEREMONY - WEDDING

WHAT IS IT?

A wine ceremony is a ritual symbolising the blending of two lives (and two families!). Some couples drink wine from the same cup whilst others pour two types of wine into one glass and share. The “blending” is symbolic of the union and new life the couple will create together.

WHAT HAPPENS DURING A WINE CEREMONY?

1. Your celebrant will introduce the ritual, explaining the significance and setting the scene for what is to come
2. Your celebrant will invite you, the couple, to each pour wine into one glass. (Some couples choose to have one type of wine, whilst others choose to pour two different types – its up to you!)
3. Your celebrant will say a few more words about the “blending” and then invite you both to drink from the cup, signifying the union.
4. Your celebrant will say a few more words about the new life you will create together to finalise the ceremony.
